to Be Arrested.

Is Another Outbreak.

PATERSON, N. J., March 14.-Four of the ring leaders in the riot of yesterday were arrested this morning and sentenced by Justice Van Cleve to thirty days each in the City Jall. Warrants are out for four others of the striking weavers and dyers, and it is expected! that more complaints will be lodged today, and either warrants or summons

The prisoners are August Muller, s Frenchman; Giuseppe Britto and Giu-seppe Tolo, Italians, and B. Von der Hollander. All are said to be Anarchists. These are the men who are accused of being directly responsible for the demonstrations of yesterday, when dye-shops were broken into, property destroyed, and workmen driven out by the mob. The prisoners were simply accused

"You have violated the law in interfering with men engaged in a peaceful occupation and you deserve no sympathy. If you are so ignorant that you don't know this fact, then it is time you made yourselves better acquainted with our institutions for your own welfare. It is very probable that a further complaint of rioting may be made against you. That is a State prison offense."

The prisoners were the leaders of the mob that looted Auger's dye shop yesterday. All of them made speeches, it is alleged, of the most incendiary character, advising that force be used if necessary, and violence be resorted to to bring the employers to terms.

A Committee of the Board of Trade called on Chief of Police Graul this morning, and asked him what protection he proposed to furnish in the future. The Chief told him he would detail the entire force of sixty men to protect property if necessary, but that he thought there would be no further trouble.

thought there would be trouble.

The Committee was composed of silk manufacturers and boss dyers. They informed the Chief that they believed the police force inadequate to cope with the thousands of idle men and that at the first intimation of recurrence of trouble or interferance they would call on the Sheriff and have him swear in fifty denuties.

The demands of the dyers were generally acceded to. Helpers' wages were raised from \$7 to \$9; shakers, from \$8 to 510; finishers, from \$10 to \$12; dyers, two tubs, from \$13 to \$15, and dyers, three tubs, from \$16 to \$18. For all overtime the employees are to receive time and a half. They will also receive sixty hours' pay for fifty-five hours' work.

# LOCAL LABOR TROUBLES.

Police Called Upon to Guard Cigar-Mukers.

Police this morning guarded the emloyees who have taken the place of avenue. The firm thought protection was needed because of an outbreak last evening when a number of non-union cigarmakers were attacked with eggs and other weapons of a rural nature thrown by a hundred infuriated girls who have joined in the strike. The battle was continued for a block or so and was finally stopped by the appearance of police.

The strike in the J. J. Lattemann shoe manufacturing establishment at 87 South Fifth avenue, has developed very bitter feeling between the firm and the former employees, who now do picket duty along the block between Houston and Prince streets for the purpose of persuading new employees to quit work. Among the pickets this morning were a dozen girls, who are said to be more successful than the men at embarrassing the Lattemann Company. The strikers are demanding the reinstatement of discharged employees, and are protesting against a reduction of wages.

The journeymen tailors will meet at 221 avenue. The firm thought protection was The journeymen tailors will meet at 231 Bast Thirty-third street this evening, and it is expected that they will receive come communication from the merchant tailors. The journeymen believe, however, that their employers will give up the fight for a reduction.
